Umrao Institute Of Medical Science & Research, Medical Social Worker.

Subject – Thank You letter.

I am Geeta Anil Bari, wife of Anil Bari, who was admitted in Wockhardt Hospital, Miraroad since 17th September 2019. My Husband had critical Pneumonia, which was treated in Wockhardt Hospital. Total bill to cure my husband was almost Rs.415351/-. My financial condition is very bad to pay the hospital bill. Umrao Trust helped me to pay the 20% of my bill, which was very helpful in such situation. We are very much thankful for this and will never forget such important help in important situation.

Thanks and regards,

Geeta Bari
