Subject: Thank you for Help

Dear Sir, I Mr. Yugal. R Keni, had admitted my New born baby at your hospital after coming to knowledge that his food pipe from his stomach has connected to his Nostril pipe & feed from mouth to stomach was incomplete. Hence A major Surgery has been Performed to connect his food pipe. And The Cost was high.

I am Thankful to Umrao Trust & Mr. Muzabbar. H Sir. for considering my case & helping me with some discount on my total bill.

Your's faithfully

  
Yugal. R. Keni
