SUBJECT: Gratitude Letter for Medical Assistance Towards
MRS. REENA GHOSH.

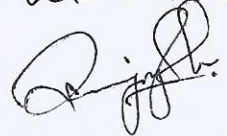

Dear Sir/Madam,

I Rajan Ghosh son of Mrs. Reena Ghosh will to thank, "The UMRAO Institute of Medical Science and Research" (TUIMSAR) on behalf of my entire family, for such a generous Medical Assistance provided by your institute towards my mother's Cancer treatment at Wockhardt Hospital on 25th Jan-2019.

The TUIMSAR has been a silver lining, and provided our family in need with their generous assistance to pay off the pending outstanding of Rs. 2,00,000/- approx., which helped me, to get my mother discharged on 27th Jan-2019, who is now recovering well and fast.

On behalf of my entire family, I would like to express my deepest gratitude to the people behind the organization, especially to Honr. MR. MUZAFFAR HUSSAIN, for having such a vital role in the organization and also his association with other such wonderful organizations, working round the clock towards the progress and wellbeing of the citizens of Mira-Bhayander. I would personally like to see him in the near future helping our society flourish and bring smiles to the family in desperate need, as mine.

Once again thanks "UMRAO Institute of Medical Science and Research", cause of you my mom is on track of getting back to her normal life. In fact the institute has given second life to my mother.

WITH REGARDS,

(RAJAN GHOSH)
