Bill of Wockhart Hospital, Mira Road.

Respected Sir,

Further to our request letter dated 11.04.2019 with respect to discount on hospitalisation bill, we are thankful for considering our request. The total medical expense bill raised upto Rs 11.59 lacs and with a discount considered by yourselves of Rs 20% has reduced our burden of expenses. Since the incident ~~was~~ ^{was} ~~critical~~ ^{critical} expenses, it went on increasing the expenses & we were unable to meet the financial burden due to bad financial condition. Approval considered by you has given us sigh of relief and we will be able to return the part immediate aids received from friends and relatives. We thank you once again for all the aid provided to us.

Thanking you.

Yours truly.
