Subject → Appreciation for your help.

I, Mr. Siddhesh Anant Tatkare is writing you for appreciating your generous contribution towards the treatment of my father (Anant S. Tatkare) at Wockhant hospital.

It was with your support I could complete my father's treatment as the fees was a huge amount I may not have managed to pay. So thank you again for the help and downpay the difference you have made. It means more than I can say.

Yours truly

Siddhesh Anant Tatkare
