Respected sir,

I am writing this to express my deepest thanks for your donation towards the payment for the treatment of my newborn daughter, she was hospitalised in Wockhardt Hospital for more than 20 days. It was very difficult for us to pay a huge billing.

But your financial donation/support helped us a lot ~~to~~ in worst situation of us.

Thank you once again for your support. I dont have words to express.

Regards

~~Sable~~
