**Subject: Thank you letter for all the Financial relief on medical treatment**

Dear UMRAO trust,

I write to you in regard to your financial support and relief in the bill for medical treatment for my mother Mrs. Narbada Sharma (UHID - WHNM.0000301973).

During these pandemic conditions and difficult times, without your support it would have been nearly impossible for us to manage and get through with her treatment. No words can describe the relief this has brought to our family.

On behalf of my whole family, I would like to thank you for helping us with the financial support. Your support has not only helped my mother to feel better & find strength but has also brought relief and smile for her daughters, husband, grandchildren & myself to name the few.

To conclude, I would really be always grateful to your trust and the ever helping medical faculty of the hospital.

With best regards & gratitude,

Gaurav Sharma
