Respected sir,

I am Dayaram Prajapati Father of Vijayshankar prajapati who is under treatment for brain stroke in Wockhardt hospital at Mira Road.

Heartly thank you for considering my appeal for reduction of treatment bill of the hospital.

I being the Middle class person was unable to meet the medical expenses totally on my own. In this hour of despair, you came to my rescue considering my appeal sympathetically and giving me significant discount in the hospital bill.

I always remain indebted to you for this gesture whole my life.

Thanking you once again. I remain yours.

faithfully.

DAYARAM PRAJAPATI
